

# Educate the Masses

## Activity Details:

Use the PowerPoint presentations provided by the Texas Teen Ambassadors to educate groups in your school, church or community about the dangers of tobacco.

## Step by Step Plans:

1. Choose a presentation and audience you want to present to.
2. Find a location to have your presentation.
3. Select a date and time for your presentation. Texas Tobacco-Free Kids Day is a good option!
4. Prepare for your presentation. You may want to practice in front of a small group of friends first.
5. Make sure you have all of the necessary equipment. (ex: computer, projector, screen) Or you can just print handouts of the presentation if you will not have access to computer equipment to show the PowerPoint slideshow.
6. Be sure and involve your audience, let them ask questions and participate.
7. Smile and have fun!

Age Group: All ages

Number of Participants: As many as possible to be reached.

Time to Complete Activity: 1 week

Cost: None

Materials/Resources Needed: access to the PowerPoint presentations, computer, projector, screen if desired.
